THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON) : (a) and (b) The National Water Policy adopted by the Government in 1987 lays down broad guidelines on water resources development. In addi-tion, steps have been initiated for adopting a national policy for irrigation management as distinct from the National Water Policy with a view to ensuring proper managemen' in command area. The thrust of the policy will be on proper management of irrigation system for the optimal use of water and guidelines regarding operation and maintenance, conjunctive use, drainage, farmers participation, ma'ntenance grants, water rates, training, etc. Draft Irrigation Management Policy was considered by the National Water Board in its meeting held on 17-3-94 for placing the same before the National Water Resources Council for adoption. The persistent problems of irrigation development are expected to be tackled with the adoption of the said policy.

fc) and (d) Yes, Sir. The Government have already proposed from time to time to the State Governmen's to enhance the existing water rates so that the revenue from the same can meet the expenditure on account of operation and maintenance charges as well as to some extent on interest charges.

Location of projects in Godavari basin

5191. SHRI V. HANUMANTHA RAO : W 1I the Minister of WATER RESOURCES be pleased to state :

(a) the names of all projects from Andhra Pradesh pending with his Ministry which are planned to be located in the Godavari basin;

(b) whether any information is awaited from the State Government in this regard; and

(c) what are the other reasons for delay in clearance of the same ?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT AND IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON) : (a) to (c) Out of the four major and six medium irrigation projects in Godavari basin received from the Government of Andhra Pradesh in Central Water Commission, two medium projects namely, Chelmelavagu and Palemvagu have been found acceptable by the Advisory Committee subject to compl'ance of certain observations such as obtaining forest, rehabilitation and resettlement clearances; provision of adequate funds in VIII Plan etc. by the State Government. One major project namely, Flood Flow Canal from Sriramsagar has been received recently in December, 1993 in the Central Water Commission. Remaining three major projects namely, Polavaram, Sriramsagar Stage-II, Godavari Delta System Modernisation and four medium projects namely Peddavagu Yerravagu, Bhupatipalem and Modikuntavagu have been sent back after examination to the State Government for preparation of modified report in view of basic deflciencies and to comply with the observations of Appraising Agencies. These projects are not included in the VIII Plan.

चम्बल परियोजना के अधीन जल वितरण प्रणाली

5192. **श्री कैलाश नारायण सारंग** : क्या जल संसाधन मंत्री यह बताने की कृपा करेंगे कि :

(क) चम्बल परियोजना के अन्तर्गत मध्य प्रदेश और राजस्थान राज्यों के बीच सिंचाई प्रयोजन हेतु जल वितरण की क्या व्यवस्था है तथा जल वितरण का यह निर्धारण किसके द्वारा किया जाता है;

(ख) क्या मध्य प्रदेश को उक्त परियोजना के अन्तर्गत पानी का अपना हिस्सा निर्धारित मात्रा में मिल रहा है; यदि नहीं तो उसके क्या कारण हैं; और

(ग) क्या सरकार जल वितरण संबंधी समस्याओं तथा परियोजना की अन्य समस्याओं के समाधान हेतु कोई समिति गठित करने का विचार रखती है; यदि हां, तो यह समिति कब तक गठित कर दी जाएगी और यदि नहीं, तो क्या सरकार इस प्रकार की समिति के गठन पर विचार करेगी ?
